

EVOSWITCH **SUPPORT** SERVICES

As a leading provider of cloud- and carrier-neutral data center services, **quality is in our DNA**. EvoSwitch has the facilities and a team of qualified engineers to support you quickly and flexibly – wherever and whenever.

We want you to focus on your company's core business **without worrying about unpredictable costs, uncertain results and long lead times**. That's why EvoSwitch is ready to serve you day and night, day in, day out.

REMOTE HANDS AND EYES

Getting qualified engineers to your IT equipment within minutes when there's a problem can be the difference between success or failure. The EvoSwitch Support Team is available 24/7, ready to solve issues before they turn into real problems. Making sure your business processes are kept up and running constantly.

Our priority is to maintain business continuity between you and your customers. For this reason, the EvoSwitch Support Team is onsite and on standby to solve urgent or unexpected problems and issues.

MIX AND MATCH

Matching service levels to your precise business needs is central to our service. On this basis, you can choose different response times according to how business-critical uptime is to you (see table below).

Custom plans

Is your office abroad? Or do you want the reassurance of having a fixed number of service hours each month? No problem, EvoSwitch can make a customized package for you to ensure you have the correct number of pre-booked hours with the desired response times at your

We offer direct support for:
