

# Certificate

Certificate number: 2014-013  
Certified by EY CertifyPoint since: October 20, 2014

Based on certification examination in conformity with defined requirements in ISO/IEC 17021-1:2015, the Environmental Management System as defined and implemented by

EvoSwitch Netherlands B.V.\*

located in Haarlem, The Netherlands is compliant with the requirements as stated in the standard:

**ISO 14001:2015**

Issue date of certificate: January 12, 2018  
Expiration date of certificate: September 30, 2020

EY CertifyPoint will, according to the certification agreement dated October 2, 2017, perform surveillance audits and acknowledge the certificate until the expiration date noted above.

*\*The certification is applicable for the assets, services and locations as described in the scoping section on the back of this certificate.*

Drs. J. Sehgal RE | Director, EY CertifyPoint

# EvoSwitch Netherlands B.V.

## Scope for certificate 2014-013

The scope of this ISO 14001:2015 certification is as follows:

The scope of the Environmental Management System under certification is bounded to the Haarlem location of EvoSwitch: AMS-1, from which the Environmental Management System (EMS) is centrally managed. EvoSwitch's environmental management system applies to all operations and services related to the full business scope. And the company activities are focused on delivering hosting services and include:

Sales and business development

Management of the critical infrastructure

Deployment of new areas for customers (including new rack deployment and installation of data infrastructure)

Provide security services

Project management (related to critical infrastructure and building)

Handling on site performance

Provide 'remote hands and eyes' services on behalf of customers

The Environmental Management System is centrally managed out of Haarlem, the Netherlands. The scope mentioned above applies to the following location:

Haarlem, the Netherlands

The Environmental Management System mentioned in the above scope is restricted as defined in "310-D-GP4-03 Environmental Management Policy 3.6.docx" version 3.6, dated October 17, 2017.

This scope (edition: January 12, 2018) is only valid in connection with certificate 2014-013.
